### Requirements

Everyone in the group MUST be at least 18 years old and weigh less than 230lbs.

We will need a picture ID from everyone who will be jumping with us, so make sure everyone brings one on the day of the jump.

Please wear comfortable, weather appropriate clothing and tennis shoes, no sandals or lace up boots.

### What to Expect

When you arrive for your jump everyone will fill out a waiver and watch a fifteen minute video together. Then, we will put you on our student list for the day, and when it is time for you to jump we'll take small groups (usually 2-3) in to get suited up and ready to board the plane.

If anyone specifically wants to jump in the same plane as another person, please let us know this when you arrive. We can usually get at least two people together and sometimes three, but there are no guarantees.

Larger groups should plan on spending the entire day with us. We have grills that you are free to use, internet access, and a big screen TV, but it might not be a bad idea to bring a few activities of your own to keep everyone entertained!

If you need directions we have them on our website at [www.skydivemilwaukee.com](http://www.skydivemilwaukee.com).
